Getting started with Reports <

Use Cases

Quick Tips

Examples

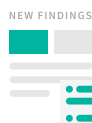

You can use Reports however you like. Here are a few examples:

**Notes to self**

Add a graph to reference later.

[See Example →](#)**Work log**

Track what you've tried and plan next steps.

[See Example →](#)**Collaborate**

Sharing findings with your colleagues.

[See Example →](#)

Featured Reports

[Go to Fully Connected →](#)

Check out how others are using reports:

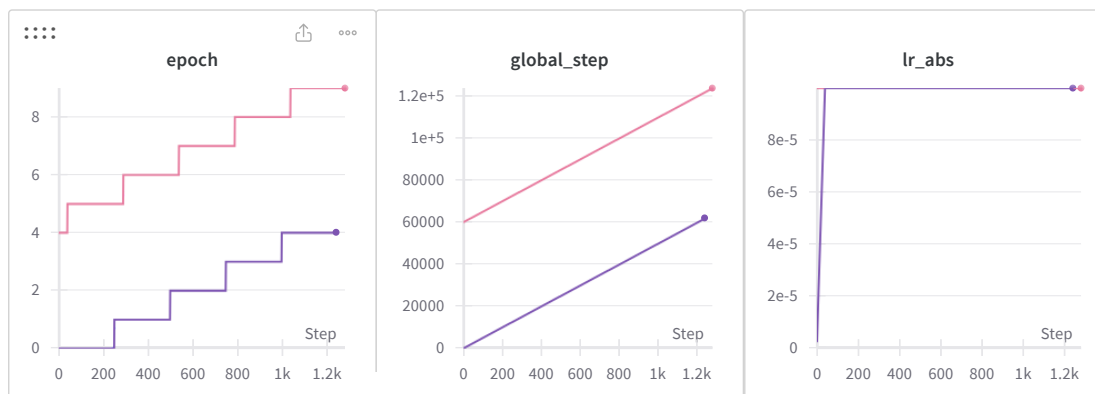

AudioLDM train 23-04-24, 11.40 PM
